Welcome/Call to Order: Ms. Warr welcomed the parents to the Curriculum Night and introduced President, Anyiesa Johnson. Anyiesa called meeting to order at 6:00 pm. Anyiesa proceeded with a power point presentation.

President's Report: Ms. Johnson noted the executive board members as follows: Anyiesa Johnson (President), Kim DiBiasio and David Morton (Co-Vice Presidents), Rowena Klampfer (Treasurer) and Michele Hendrix (Secretary).

Last year we awarded four \$500 scholarships and contributed to the first and second phases of the Grounds Beautification Project last year.

This year our enrollment and new staff is increasing. The school continues to face budget cuts and the PTSO is there to help raise funds for the school. The PTSO plans to support the curriculum, increase scholarship award amounts to \$1000, offer student resource programming, and support student academic recognition. The budget was presented to the General Membership and members were asked for any questions regarding the budget. A motion to approve the budget was presented to the floor by Ms. Johnson. The budget was voted on as approved by the majority show of hands.

Parents were invited to vote for site based parent representatives for the ninth and eleventh grades. Mr. Stephen Maher was voted ninth grade representative and Ms. Valerie Kennedy was voted eleventh grade representative.

Ms. Johnson invited parents to join the PTSO for a \$10 membership fee. She also invited them to buy spirit wear and participate in the "Invest-in-a-Student" campaign. Ms. Johnson thanked everyone for attending.

Next meeting: Executive Board meeting October 15, 2013 at 6:45 pm.

Adjournment: Meeting adjourned at 6:10 pm.

Respectfully submitted,

Michele Hendrix
